

MSK Embolisation Study Day Programme

21st May 2026

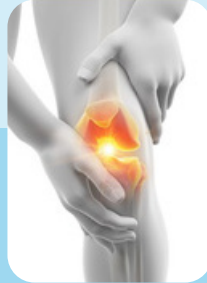

Crowne Plaza Birmingham

To register for the MSK Study Day please visit
www.mskembolisation.org/registration-form/

▶ **09:00**

Welcome

Professor Mark Little

▶ **09:05**

Introduction to the day

Dr Nimit Goyal

▶ **9:10 - 10:30**

Session 1 - Knee OA

A multidisciplinary introduction to geniculate artery embolisation for knee osteoarthritis, outlining each specialty's role and criteria for identifying the ideal patient.

09:10 - 09:25

Pathophysiology of knee OA

Dr James Briggs

09:25 - 10:25

Knee Osteoarthritis: Ideal Patients and the Therapeutic Contribution of My Specialty

09:25 - 09:40

Orthopaedics

Mr Amr Elkhoully

09:40 - 09:55

Physiotherapy

Mr Huw Griffiths

09:55 - 10:10

Pain Consultant

Dr Jennifer Ferry

10:10 - 10:25

Interventional Radiology

Dr A Al-Rekabi

10:25 - 10:30

Discussions and questions

10:30 - 11:00

Coffee, Networking and Industry Exhibits

▶ **11:00 - 12:30**

Session 2 - Deep Dive into GAE

11:00 - 11:15

Arterial Anatomy for GAE

Prof Mark Little

11:15 - 11:30

Imaging and workup

Dr Tim Ariyanayagam

11:30 - 11:45

Nursing perspective

Sister Sarah MacGill

11:45 - 12:00

Radiographer's perspective and practical tips

Mrs Vicky Watkins

12:00 - 12:15

Embolisation agents: Has the debate settled

Dr Nimit Goyal

12:15 - 12:30

Latest research

TBC

12:30 - 13:30

Lunch and Networking/ Interesting Cases

Prof Little

▶ **13:30 - 15:00**

Session 3 - Tendonitis and Sports Injury

A brief introduction to the 'new' frontier in MSK embolisation. Each talk will focus on the explanation of the condition, current treatment pathways, relevant anatomy, speaker's experience and updates on latest research.

13:30 - 13:45

Pathophysiology of tendonitis and why embolisation works

Dr Nimit Goyal

13:45 - 14:00

Plantar Fasciitis

Dr James Briggs

14:00 - 14:15

Frozen Shoulder

Dr Federico Colletini

14:15 - 14:30

Lateral Hip Pain

Dr Pedro Lopes

14:30 - 14:45

Elbow

Dr Frederico Cavalheiro

14:45 - 15:00

Sports Injuries

Prof Mark Little

15:00 - 15:30

Coffee

▶ **15:30 - 16:30**

Session 4 - Setting up services in UK

15:30 - 15:40

How to set up GAE in your hospital: an overview

Prof Mark Little

15:40 - 15:55

The research route

Dr Raman Uberoi

15:55 - 16:20

How I did it? - setting up a clinical service

Dr Amr Elsaadany

16:20 - 16:30

The innovation route

Dr Nimit Goyal

16:30 - 16:40

What managers want to see in a proposal

Dr Rebecca Wallace

16:40 - 17:00

Questions, Discussions

17:00

Closing remarks

Prof Mark Little
